This would include any changes your firm makes with DPMC as well as changes in ownership, financial condition, key people, safety records, disciplines, etc. Also note that your firm's status as a "prequalified firm" is always subject to review, and we reserve the right to change or revoke this prequalification status for cause at any time.

Firms like yours are critical to our success. Exciting opportunities are available for Small Business Enterprises (SBEs) in the Schools Construction Program. In order to enhance your participation in the program as an SBE-designated firm, the NJSDA is offering assistance in becoming registered as an SBE with the NJ Department of Treasury, Division of Revenue and Enterprise Services. Among other requirements, firms applying for SBE Registration must have fewer than 100 full-time employees.

To obtain information on the Standards of Eligibility for SBE Registration by the Division of Revenue and Enterprise Services, visit their website at <http://www.nj.gov/njbusiness/contracting> or call the Business Services Call Center at 609-292-2146.

We look forward to your firm's participation in the Schools Construction Program. Should you have any questions regarding your status, or require assistance of any kind, please contact the Prequalification Unit at 609-943-5955.
